GENERAL SCHOLARSHIP REQUIREMENTS

1. **Membership.** For AE Flight Training, Academic or Technical Training Scholarships, applicant must have been a member of The Ninety-Nines, Inc. continuously for **one full year** as of January 1.

Exception: For Kitty Houghton Memorial Scholarships and Vicki Cruse Emergency Maneuvers Training, there is no length of membership limitation. Student Pilot members may apply ONLY for the Fly Now Award or the Kitty Houghton Memorial Scholarship.

2. **Goal.** Applicant must have a specific and realistic goal for advancement in aviation or aerospace. This goal may be to qualify for or advance in an aviation-related profession or charitable cause.

3. **Financial Need.** Applicant must demonstrate a need for financial assistance to progress toward her goal.

Exception: There is no requirement to demonstrate financial need for the Vicki Cruse Scholarship.

4. **Medical Certificate.** For any scholarship or award request that involves flight training, applicant must submit a copy of a current valid medical, Basic Med or a Driver's License (for certificates/ratings which do not require a medical) with her application. The medical's date of issue must be prior to the applicant's submission deadline and must still be valid on the applicant's submission deadline (Jan 1).

The class of medical required depends on the license, certificate or rating the applicant intends to pursue. If selected to receive a scholarship and the original application contained a medical of a lower class than required to execute the privileges of the requested certificate or rating, she will be required to upgrade her medical to the appropriate minimum class prior to the date that AEMSFS receives her first payment request.

Minimum Required Class of Medical

- ATP – 1st Class
- Commercial and Jet-Type Ratings – 2nd Class
- Flight Instructor – 3rd Class
- All others – as required for the specific rating, license or certificate.

Exceptions

- Academic and Technical Training scholarships typically do not require a medical, unless there is a flight training component to the program.

2020 Amelia Earhart Memorial Scholarship Fund General Requirements and Instructions

5. **One Training Course.** Applicant may request **only one** training course, certificate, rating or type rating.
Example 1: Application for “FAA Multi-Engine Instrument rating” by an applicant already holding an instrument rating. Request is for an add-on multi-engine rating with instrument privileges – allowed.
Example 2: Application for “Commercial-Instrument” by an applicant with neither rating will be disqualified, *unless* training for one of the ratings will be complete by March 5. (See Training in Progress below)
6. **Training in Progress.** Application may be made for a certificate/rating without holding a prerequisite certificate or rating provided training for that required certificate is expected to be completed before March 5.
Example: For an application for “Flight Instructor certificate,” applicant must either already possess the commercial pilot certificate or be in training with expected completion by March 5.
Note: Designated AEMSF Trustee must receive proof of completed prerequisite certificate or rating by March 5; late notification is grounds for disqualification.
7. **Flight Currency.** For any scholarship or award request (except Academic) that involves flight training:
 - Applicant must submit the logbook entry or endorsement showing a successful flight review, competency or proficiency check, or practical test within two years of the applicant’s submission deadline. The date of issue on a pilot certificate is NOT sufficient proof of currency.
 - In addition to the logbook pages submitted above, **applicant must have logged a minimum of five hours in the six months immediately preceding the applicant’s submission deadline.** The flight time may be PIC, SIC, SIM time or with an instructor. Submit the most recent two full logbook pages (left and right side equal one full page).
 - Landing, passenger carrying and instrument currency are not required.
8. **Flight Time.** Applicant must have sufficient flight time so that she will, upon completion of training requested in this scholarship application, meet or exceed minimum flight time requirements for the certificate/rating sought. Flight time building to meet this requirement may NOT be included in the funding request.
Example: An applicant for an instrument airplane rating requiring 50 hours cross-country pilot-in-command time may not include cross-country time building in her funding request. She may only include the costs of the required elements of training for the instrument rating.
Note: Applicants may report completed flight hours up until March 5 to the Designated AEMSF Trustee. The Part II Pilot Experience must show the applicant’s plan to accomplish any remaining time building hours needed by June 30, 2021 and how the applicant will finance those hours.
9. **Quotas** are determined based on the number of Chapter and Section members officially recorded by 99s Headquarters on December 1. The membership total is available in the December Straight and Level at www.ninety-nines.org
 - a. A chapter may select one application for every 25 members. Divide number of chapter members by 25, then round off to nearest whole number. Regardless of size, each chapter is allowed at least one application.
 - b. A section may submit one application for every 100 members. Divide number of section members by 100, then round off to nearest whole number. Regardless of size, each section is allowed at least one application.**Note:** Vicki Cruse and Kitty Houghton Scholarship applications are not counted in other AE scholarship quotas.

5. **All Applicants: You are responsible** for ensuring that the application package is complete and true in every respect. **You are responsible** for following instructions, meeting all deadlines, and tracking the progress of your application through the review and selection process. Incomplete, late, or fraudulent applications will be disqualified. No eligibility requirements or deadlines will be waived
6. **Application Submission and/or Shipping: DO NOT** submit application directly to 99s Headquarters or to AEMSF Trustees. **Submit to YOUR AE Scholarship Chairman.** (See #3 above.)
