

99s Meeting Minutes 11/7/2019:

We are making progress on getting back The Margret Gamble Woods Scholarship! What we have learned so far is that in order for funds to be released back to our chapter, we will have to raise our own scholarship funds and they will be able to match us 200%!

We will be opening online donations as well as starting an auction in order to start raising funds. So far we have an ADSB, a Bose Headset and Airplane Necklaces to be auctioned off. If you have any items to donate to the auction please let us know.

Our last CPK Fundraiser was successful with total funds raised of \$120.75. We have set a date for our next CPK fundraiser to be held! January 14th at the Ala Moana CPK. Invite your friends and family to go and dine at CPK on January 14th, anytime of day, and a portion of their meal will be donated to our chapter! Just be sure they let their server know!

Please be sure your Ninety Nines International member fees are paid and up to date by December 31st, so that you will be eligible to take full advantage of our 2020 international member scholarships.

Thank you to those who shared their intent to apply for this years AEMSF scholarships by the November 15th due date! Please remember that you will need to submit your completed application package to the chapter by December 1st so that our scholarship committee can work with you to create the best possible, competitive application before submission. We would love to send out a HUGE THANK YOU to our volunteers on the scholarship committee. They have a very hard job selecting which applications will be sent to international and they do the absolute best they can to choose the most complete application packages. We wish we could recommend everyone that applies! If your application is not selected we kindly ask that you do not contact the scholarship committee to ask why. We have asked them not to disclose any applicant selection information. Thank you for your understanding.

The Pearl Harbor Aviation Museums Scholarship Season is open! You may now apply for the Frank Der Yuen or Col. Robert "Rob" P Moore Scholarship. Applications will be open until January 31st, 2020 at 5pm HST. Please visit their website for more information.

Anyone working on their PPL? Shealin and Briahni have created an awesome flash card study guide on the Quizlet App, just download the app and search classes for "Pass your Private Pilot Checkride". It should be the first search result and display Lani Lea Flight School - Honolulu. Thank you Shealin and Briahni!!!
